

NEW JERSEY DIVISION OF FIRE SAFETY

Lawrence Petrillo, State Fire Marshal

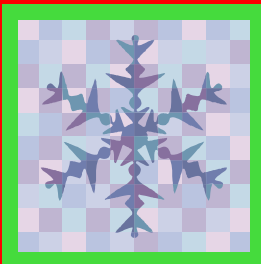

HOLIDAY FIRE SAFETY HINTS...

Have a
Happy

And
SAFE!

HOLIDAY
SEASON

Prevent Christmas Tree Fires:

- Select a fresh, green tree with branches and needles that bend but do not break
- Water, water, water. Keep the tree in water always
- Keep the tree away from heat sources
- Limit display of interior live trees to two weeks
- Recycle at the curb. Never in your fireplace or stove

Maintain Holiday Lighting:

- Pre inspect all strands and plugs, replaced frayed insulation and damaged sockets
- Use UL or CPSC approved lighting
- Limit joined strands to three (3)
- Pre test strands before using
- Check them periodically
- Never leave them unattended. Turn them off

Holiday Decorations and Candles:

- Use labeled as flame retardant and non flammable
- Keep decorations away from heat sources
- Use candles as decoration. Do not light them
- Place candles only on stable surfaces and away from flammables if you do
- Never leave home with candles burning
